Dear Aliko Konsolaki, Emmanuel Vassilakis, Leonidas Gouliotis, Georgios Kontostavlos, Vassilis Giannopoulos,

I am happy to inform you that your manuscript "HIGH RESOLUTION DIGITAL 3D MODELLING OF SUBSURFACE MORPHOLOGICAL STRUCTURES OF KOUTOUKI CAVE, GREECE". submitted to Acta Carsologica has been ACCEPTED for publication.

The next step is preparation and submission of the final manuscript. Please consider the final remarks and suggestions given by the reviewer and follow closely the Guidelines for authors (<https://drive.google.com/file/d/0B74HVIs-SUR5aVJ1M01VLS01bjQ/view>).

To avoid extra work during latter Copyediting, pay attention to correct citing and referencing !

At this phase the figures should be included in the manuscript. We will ask you for separate figures latter during the Copyediting.

Upload the manuscript in MS Word at the bottom of the submission's Review tab or using "Add a Supplementary file" in submission's Summary section.

The manuscript will the go to the Copyediting phase.

If you encounter any problem revising or uploading the manuscript, feel free to contact us.

Best regards,

dr. Nadja Zupan Hajna
