Post-Event Surface Deformation of Amyntaio Slide (Greece) by Complementary Analysis of Remotely Piloted Airborne System Imagery and SAR Interferometry
Applied Geomatics

Dear Prof. Vassilakis,

I am pleased to tell you that your work has now been accepted for publication in Applied Geomatics.

Thank you for submitting your work to this journal.

With kind regards

Vassilis Gikas
Guest Editor
Applied Geomatics

****Our flexible approach during the COVID-19 pandemic****

If you need more time at any stage of the peer-review process, please do let us know. While our systems will continue to remind you of the original timelines, we aim to be as flexible as possible during the current pandemic.

This letter contains confidential information, is for your own use, and should not be forwarded to third parties.

Recipients of this email are registered users within the Editorial Manager database for this journal. We will keep your information on file to use in the process of submitting, evaluating and publishing a manuscript. For more information on how we use your personal details please see our privacy policy at <https://www.springernature.com/production-privacy-policy>. If you no longer wish to receive messages from this journal or you have questions regarding database management, please contact the Publication Office at the link below.

In compliance with data protection regulations, you may request that we remove your personal registration details at any time. (Use the following URL: <https://www.editorialmanager.com/agmj/login.asp?a=r>). Please contact the publication office if you have any questions.
